PLEASE NOTE

You may enter your cat in only one of Breed, Grand and Imperial Classes, and the class entered must be the one competing for a certificate towards the lowest title it does not hold. Thus

Untitled cats may be entered in the appropriate Breed/Colour Class

Champions/Premiers/Mastercats may be entered only in the appropriate Grand Class

Grand titled cats may be entered only in the appropriate Imperial Class

Imperial or Olympian titled cats may be entered only in the appropriate Olympian Class.

Any cat may be entered for Best of Breed only: all cats not entered in the appropriate breed class will automatically be considered for Best of Breed (judged by the judge of the Breed class) unless you explicitly withdraw them from such consideration.

If a cat you have entered wins a higher title after you make your entry but before the published closing date of the show or any extended closing date published on the GCCF website, you MUST inform the show manager, so that it may be moved up a class.

EMS breed Codes

In all paperwork produced for shows, cats' breeds are described by EMS codes rather than old GCCF breed numbers. This does not mean that you need to enter the EMS code on your entry form. It is as ever recommended that you take the registration details from your registration or transfer certificate – if that includes an EMS code, then you should certainly use it. Alternatively, if you can use the GCCF online services to look up the details for your cat, then you can use the EMS code you will find there. But failing either of these, please use the GCCF breed number as on your registration or transfer certificate - do not try to translate it into an EMS code.

Whatever you use it will be translated to an EMS code in all official paperwork.

Rule Changes – January 2017

You must now clip your cat's claws, and will be rejected at vetting-in if this has not been done (though you will be given the opportunity clip them and present the cat again).

A certificate will be awarded to the winner of overall Best in Show (both pedigree and Household Pet) provided this is not a kitten. The certificate will be at the level the cat qualifies for earlier in the show – so for example for a cat awarded its third qualifying ordinary certificate, the award will be a Grand. The certificate will not be available on the day, but will be sent from the GCCF office once show checking has been performed.

SHOW RULES, PROCEDURES AND REGULATIONS

This show is licensed by the Governing Council of the Cat Fancy and is open to all. Copies of the GCCF Rules are available from the GCCF Office, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG, or may be downloaded from the GCCF website. Please make sure that you read and understand these and this schedule before entering the show.

IGNORANCE OF THESE RULES WILL NOT BE ACCEPTED AS AN EXCUSE FOR THEIR BREACH.

ELIGIBILITY

All Siamese, Balinese, and Oriental Adults, Kittens and Neuters are eligible for competition at this Show if registered with the GCCF. Exhibits registered on the Reference Register are not eligible to be shown in competition. Other cats may be entered on Exhibition.

All registrations and/or transfers must have reached the GCCF Office 10 days before the date of the show or the exhibit will be DISQUALIFIED. If you have entered the exhibit in your name and it is transferred away from you BEFORE THIS DATE it will also be DISQUALIFIED because the entry form becomes invalid. If you have not yet got the registration number when you enter, write NAF (name applied for) instead, fill in the first choice of name you have applied for, and send the number and any change of name to the Show Manager when they arrive.

Unregistered kittens and neuters of traditional "moggie" appearance with unregistered/unknown parent or parents are eligible for the Non-Pedigree Household Pet section. Cats of pedigree appearance or with known or unknown full or half pedigree background are eligible for the Pedigree Household Pet section. **ALL HOUSEHOLD PET CATS OVER 6 MONTHS OLD MUST BE NEUTERED.**

CORRESPONDENCE

All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaint relating to the Show must be forwarded, in writing, to the Show Manager within seven days of the Show.

WITHDRAWALS

Exhibitors wishing to withdraw their cats are requested to telephone the Show Manager immediately. However, action will only be taken on receipt of written confirmation, stating reasons for withdrawal. In normal circumstances, refunds will be made for exhibits withdrawn prior to the closing date of the show, less a charge to cover any administrative cost incurred. Please note that a show entry cannot be withdrawn after the published closing date of the show or any extended closing date published on the GCCF website. The thirteen day rule forbidding entry in two shows within 13 days will then be enforced. The show manager shall have the right to return entries.

PRE-SHOW PREPARATION

Please make sure that your exhibit is clean and healthy before arriving at the show. All exhibits must be vaccinated against FIE, FVR & FCV ("cat 'flu"). The full course, or booster, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office. Please note that homoeopathic vaccination cannot be accepted for the purposes of showing under section 4 rule 5.

The vaccination certificate must be completed with the full details of the cat and the owner.

Please check your cats claws and, if necessary, trim them before the show - be sure not to cut the quick.

If you have to bath your cat please be very careful which shampoo you use. Many shampoos and grooming products sold for cats contain colouring matter and if you use one of these your cat could be disqualified.

The use of any products, including skullcap & valerian, rescue remedy, sedatives for travel etc, which change a cat's appearance or physical reaction is forbidden and will lead to disqualification.

ARRIVAL AT THE SHOW

Exhibits will be received at the entrance to the Show Hall from 8 until 9.45 on the morning of the show. All exhibits must be brought to the show in suitable secure containers (top-opening preferred) and must be accompanied by their owners or representatives who must remain within call throughout the period of the Show except when the hall is cleared for judging. Exhibits will only be accepted on condition that the Club shall not be held responsible for any loss or damage to any exhibits, containers or property in any way. If a cat cannot be removed from its container safely it may not be vetted in.

All exhibits must be examined by the Show's Honorary Veterinary Surgeons who are authorised to exclude any exhibit that they consider unfit for competition. No exhibit may be penned before being examined. Exhibits must show no signs of ill health, parasites, skin lesions or use of drugs. Coats and ears must be clean. Entire males over nine months of age must have both testicles present in the scrotum. Pregnant or lactating queens or queens who have kitted within twelve weeks before this show may not be exhibited. Declawed cats may not be exhibited.

Rejected exhibits must be removed by their owners and entry fees forfeited. Owners of rejected exhibits, together with their other exhibits, may also be debarred from entering the Show Hall. THE DUTY VETERINARY SURGEON'S DECISION IS FINAL

CLEARANCE

If your cat is rejected from a show please note the following points:

1. When sending your clearance certificate to the GCCF Office please include your copy of the rejection form.
2. Please do not send these certificates by recorded delivery post as this can cause considerable delay. If you wish to be sure they have arrived enclose a stamped addressed postcard which can be signed and returned to you.
3. Exhibitors should not attend shows until they have received a letter from the Office accepting and confirming clearance. Take this letter with you to any shows you attend within one month of its issue.

PRESENTATION

Take pride in presenting your exhibit. Be sure that it is comfortable, warm and relaxed. You must provide each exhibit with a white litter tray (with its usual litter) and a white water bowl which must stay in the pen all day. Food may be given (in white bowls) but must be removed before judging starts at 10.00 am and not replaced until 12:30 pm. Each exhibit must have a clean plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-bed or like material may be used if preferred. A hot water bottle, heat reflecting material or cool pack may be used provided it is out of sight under the blanket.

No written or printed matter of any kind other than the official notices and award cards may be placed on the pens of exhibits in competition. None of the equipment in the pen may bear any distinguishing marks. JUDGES ARE INSTRUCTED TO PASS ANY PEN THAT IS DISTINGUISHED IN ANY MANNER. One small toy may be placed in the pen when you return to it at 12:30 pm.

Exhibition pens are designed to form a display and may be decorated in any way you wish, but please make sure that there is ample room for the cat to be comfortable.

Vetting in slips and exhibitors passes will be handed to you at vetting-in. No written or printed matter other than official notices and award cards may be put on the competitive pens.

Aerosols, sprays and toxic disinfectants may not be used in the show hall.

Exhibits actually received into the Show Hall cannot be removed without the permission of the Show Manager. The Show closes at 4.30 pm and no exhibit may be removed from its pen before this time. Anyone breaking this rule could be DISQUALIFIED and forfeit any prize money and awards. Judges are empowered to withhold any award in any class if the exhibits do not, in the Judge's opinion, possess sufficient merit.

DEFINITION OF CLASSES

BREED CLASS	Open to all untitled cats of the specified breed (must be GCCF registered).
GRAND CLASS	Open to Champion/Premier titled cats
IMPERIAL GRAND CLASS	Open to Grand titled cats
OLYMPIAN CLASS	Open to Imperial or Olympian titled cats
CAT/ADULT	Not less than 9 months on the day of the show.
KITTEN	Not less than 14 weeks and under 9 months on the day of the show. Neutered kittens must be entered in kitten open and miscellaneous classes, and will be eligible to compete for Best in Show kitten.
NEUTER	Neutered cat, male or female. Adult neuters may only enter Neuter Classes.
NOVICE	Exhibit that has not won a First Prize in any class at a show held under GCCF rules.
LIMIT	Exhibit that has not won more than four First Prizes in any class at a show held under GCCF rules.
DEBUTANTE	Exhibit that has never been shown at a show held under GCCF rules. Previous shows as a kitten do not preclude entry in the Debutante Adult class; previous shows as a kitten or adult do not preclude entry in the Debutante Neuter class
MAIDEN	Exhibit that has not won a First, Second or Third prize in any class at a show held under GCCF rules.
ARISTOCRAT	Adult/Neuter with one or more Challenge / Premier Certificates but not yet a Champion / Premier.

BREEDERS	Exhibit bred by Exhibitor(s). Cats originally registered in the breeders' joint ownership, but changed to single ownership of one of the breeders can still be entered in this class. Cats originally registered in the breeder's single ownership and changed to joint ownership with the breeder should be entered in the Non-Breeders Class.
ADOLESCENT	Exhibit over 9 months and under 15 months on the day of the show.
JUNIOR	Exhibit over 9 months and under 2 years on the day of the show.
SENIOR	Exhibit over 2 years on the day of the show.
RADIUS	Exhibits living within 25 miles of the show hall
VISITORS	Exhibits living over 25 miles from the show hall

The status of the exhibit for entering restricted classes (i.e. Maiden, Limit, etc.) shall be the cat's status on the day of entry, except that entry to a Grand or Imperial class is permitted only if the cat attained the qualifying status on or before the published closing date of the show. Wins as a kitten do not count when the exhibit is shown as an Adult or Neuter; wins as an Adult do not count when the exhibit is neutered and shown.

Merit Awards do not count as 'wins' for entering restricted classes.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the Show. Continuous repetition of the same error after notification will be referred to the Executive Committee. Examples of minor errors include:

- Spelling errors.
- Separation of cat's name that should be one word and vice versa.
- Administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit.
- Overseas title preceding the name of an exhibit, sire or dam, etc.
- Full breed number known but not given.
- Sire and Dam reversed or named incorrectly.
- Breeder joint when single and vice versa.

INCORRECT DATE OF BIRTH. This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes, but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

N.B. AGE LIMITS: Kittens not less than 14 weeks and under 9 calendar months on date of Show.
Adults not less than 9 calendar months on date of Show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER

If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise :-

EXHIBIT	Totally incorrect name
REGISTERED OWNER (EXHIBITOR)	Joint when they should be single, and vice versa
BREEDER	Declaration not signed by registered owner(s)
	Totally incorrect name or names

N.B. The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW.

These entries will be disqualified. Remember, the effective date of all registrations and transfers is **the first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW.

Entries such as these will also be disqualified as the Exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY. These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in Grand classes must have gained their title before the published closing date if the show.

CAT REGISTERED ON THE REFERENCE REGISTER. Some cats registered on this Register are not eligible to be shown and, therefore, these entries could be disqualified. One exception to this is when a new breed becomes recognised, and then cats of the breed may be shown, even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from the Show checking, giving their reasons. The appeal will be referred to the GCCF Board if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free.

PLEASE NOTE

Nobody may remove an exhibit from its pen except the owner, owner's agent or Show official. Exhibitors must not carry their exhibits round the show hall. Exhibits must not be held in such a way as to annoy other exhibits. Any person in any way interfering with or removing any exhibit from its pen during the Show, except with the permission of the Show Manager, will forfeit any award that may be due.

THE COMMITTEE RESERVE THE RIGHT TO:

1. Appoint other judges should those advertised be unable to fulfil their engagements and to appoint further judges if required.
2. Fix and limit the number of exhibits to the show and to accept or refuse entry without giving reasons.
3. Cancel, amalgamate or divide classes.
4. Publish a catalogue of the Show containing information as to the exhibits and the names and addresses of exhibitors, and process such information by computer.
5. Retain a percentage of the entry fees to cover essential expenses in the event of the show being cancelled for any reason.

An announcement on the GCCF website of any alterations or additions made to the schedule or regulations shall be deemed sufficient notice thereof.

COUNTERSIGNATURES

In the event of a change of judge of an Open class occurring after the closing date of the show, and provided that the exhibitor informs the show manager, prior to judging, that a certificate has previously been awarded by the replacement judge, the show manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate, which shall then count towards Championship status.

If the replacement judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purpose of requesting a countersignature

SHOW ENTRY FORM

In order to exhibit at the show you must complete the official entry form and read and sign the declaration. The information on the entry form must be identical to that on the registration/transfer certificate except for the addition of GCCF titles. If you make any mistakes your exhibit may be DISQUALIFIED. This includes: incorrect or incomplete name of cat, breeder or owner etc. (The breeder of the cat is the owner of the dam when the kitten was born.) If the cat is registered in single ownership only one person must sign the form. If the cat is registered in joint ownership either or both owners may sign the form. Please make this clear and if you are entering a cat in single ownership and one in joint ownership, please use separate forms. If you are entering a cat on exhibition the show entry form must be completed exactly as for competition entries, marking "Exhibition" in the Open Class box.

EXHIBITORS ARE RESPONSIBLE FOR THE CORRECT DESCRIPTION OF THEIR EXHIBITS AND FOR ENTERING THEM IN THE CORRECT CLASSES. Exhibits entered in the wrong class will be disqualified from the class concerned and it may not be possible to move them into the correct class on the show day. If you re-register the colour of your cat please let the Show Manager know immediately so that it can be judged as the correct colour on the day.

Please check your entry very carefully to make sure that it is clear and legible, that you have entered your cat in the correct classes, that you have signed the form and that you have sent the correct money. If you find errors in your entry these may be corrected on Show day if it is too late to do so beforehand.
